New charitable giving provisions that took effect in 2026 may create additional opportunities for donors to support The Encore while receiving potential tax benefits.

Qualified Charitable Distribution (QCD)*: If you're age 70 1/2 or older, you can transfer up to \$111,000 in 2026 and \$114,000 in 2027 directly from your IRA to The Encore without including the distribution in your taxable income. A QCD may also help reduce your Adjusted Gross Income (AGI).

Donor Advised Fund (DAF)*: If you have a DAF, consider recommending a grant to The Encore as part of your annual giving. A DAF provides a flexible, tax-efficient way to support charitable organizations, allowing you to recommend grants from funds you have already designated for charitable purposes.

Planned Giving*: You can create a lasting legacy by including The Encore in your estate plans through gifts of stocks, bonds, mutual funds, real estate, beneficiary designations, or provisions in your will or living trust. Planned gifts may provide charitable tax benefits and may allow you to avoid capital-gains tax on appreciated assets.

*Tax laws and individual circumstances vary. Please consult your financial and/or tax advisor to determine which giving strategy may be appropriate for you and your family.

Your gift entitles you to 12 months of benefits from the time of your donation.
